

## **Forklift Electrical Part**

Forklift Electrical Parts - Lift trucks as well as other forklifts can have particular labels used in some hazardous locations. The mark denotes that this specific model of lift truck meets the minimum standards of ANSI/UL 553 for electric forklifts or ANSI/UL 558 used for internal combustion engine forklifts.

Applications for marked trucks could be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Areas of Use, Maintenance and Operation, and Type Designations. Consult your local insurance carrier and Fire Marshall for additional info about the approved uses of industrial powered lift trucks in your application.

If the forklift has been found to satisfy the outlined standards, the following labels can be placed. A marked truck will have the type designation put on the forklift nameplate and will have one of the following labels put.
