

## Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience effectively designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to providing new design concepts and top quality so as to meet the diverse requirements of their customers.

TREK Cleaning Machines continually offers fresh design concepts as proven in their product development. They like providing products that energize both their partners and their dealers and provide production gains to their customers.

The team at TREK likes dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills combined with their knowledge of cleaning applications, along with owners' strong desire to considerably lessen cost through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both technical support and parts available when it is required. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning equipment ready and running daily is top priority. The company's top of the line technology delivers dependable equipment that ultimately lessens your cost of cleaning. The price, the service and the product all work together so as to make them an industry leader.
